

2022 Meeting Schedule

Current schedule, online meeting registration, and past meeting notes are available at hcinvasives.org.

In 2022, HIP general meetings will be held on the first Wednesday of every other month at 12pm. Meetings will mostly be in person with options for online attendance. As the majority of HIP’s work takes place via committee action, we have decided to make our general meetings bi-monthly while HIP committees will continue to meet each month. Additional meetings may be added in “off” months as needed.

Meeting dates, locations (including online vs in person), and times are all subject to change.

Date	Time	Location
